

2024

Canada's Agriculture Day Celebration Challenge

February 13, 2024 is Canada's Agriculture Day!
Complete ONE of the following Canada's Agriculture Day Celebration Challenges below by February 16, 2024, and we will send FREE plantable bookmarks for each of your students!

Write a thank-you letter to a food hero!

Food heroes are anyone involved in getting food to our plates, from farmers to truck drivers to mechanics to grocery clerks. You could mail them or hand deliver them for a special touch!

Draw a picture of foods or agriculture products you are thankful for!

Make sure they are from crops grown or animals raised here in Canada. Hang these up in your school so others can enjoy them!

Take a "Forks Up for Canadian Ag" photo!

With your students, raise a fork to Canadian Ag. Share the photo with us or post on social media tagging @aitcsk @SKAgriculture #CdnAgDay. Find "Forks Up" graphics [here](#).

Learn about where food comes from with your students.

Order or download a FREE storybook or learning kit, and spend time learning about food! Here are suggested resources:

STORYBOOKS

Alex's First Seed (Gr K-3)
Blossom's Big Job (Gr K-3)
Plant, Grow, Eat, Share (Gr 1-4)
What's Growing Around Us? (Gr 2-4)
Reggie's Technology Adventure (Gr 3-5)
The Adventures of Michael & Mia: Stewards of the Land (Gr 4-6)

LEARNING KITS

My Food Story (Gr K-4)
Saskatchewan Seed Kit (Gr 3)
Healthy Foods from Healthy Farms (Gr K-3, 3-6)

To access these and more resources, scan the QR code or visit www.aitc.sk.ca

Challenge complete? Scan the QR code or visit www.aitc.sk.ca/programs by February 16, 2024 to claim your bookmarks!
