# GRADE 1

SCIENCE	OM1.1: Investigate observable characteristics and uses of natural and constructed objects and materials in their environment. [CP, SI] e. Compare the properties (e.g., texture, colour, smell, hardness, and lustre) of materials that appear in familiar natural (e.g., tree, lawn, rock, and creek) and constructed (e.g., clothing, toys, electronics, furniture, and buildings) objects.	SOCIAL STUDIES	DR1.3: Demonstrate awareness of humans' reliance on the natural environment to meet needs, and how location affects families in meeting needs and wants.	ENGLISH LANGUAGE ARTS	CR1.1: Comprehend and respond to a variety of grade-level texts (including contemporary and traditional visual, oral, written, and multimedia) that address: • identity (e.g., All About Me) • community (e.g., Friends and Family) • social responsibility (e.g., Conservation) and relate to own feelings, ideas, and experiences. a. View, listen to, read, and respond to a variety of texts including First Nations and Métis resources that present different viewpoints and perspectives on issues related to identity, community, and social responsibility.
	DS1.2: Inquire into the ways in which plants, animals, and humans adapt to daily and seasonal changes by changing their appearance, behaviour, and/or location.		IN1.3: Assess ways in which relationships help to meet human needs.		
	LT1.1: Differentiate between living things according to observable characteristics, including appearance and behaviour.	HEALTH	USC1.1: Examine healthy behaviours and opportunities and begin to determine how these behaviours and opportunities may affect personal well-being.		
	LT1.2: Analyze different ways in which plants, animals and humans interact with various natural and constructed environments to meet their basic needs.		USC1.5: Explore the association between a healthy sense of "self" and one's positive connection with others and the environment.		
	SE1.2: Explore how humans and animals use their senses to interact with their environment.	ART	CPI.8: Create art works that express own ideas and explore different forms (e.g., painting, drawing, printmaking) and media (paint, found objects).		
					CR1.4: Read and comprehend grade-appropriate texts (including narratives, informational texts, scripts, and poems) by relating the sequence (i.e., beginning, middle, and end), the key points (who, what, when, where, and why), and the problems and solutions. b. Select and use the appropriate before, during, and after strategies when reading.
